

### Intro Phase

Today, we're going to play a game on my machine here! Look at my game!

Let's play my game. In my game, you have to make the ball go inside the goal here! In order to make this ball go, you have to blow *really hard* right here.

And look! There's a gazorp, and this one is wearing a blue shirt! Some gazorps are nice, and they try to help us make our ball into the goal. Other gazorps are mean, and they try to make us miss the goal. We don't know whether this gazorp with the blue shirt is a nice one or a mean one!

Let me show you how it works! 1, 2, 3, go! (blows and ball launches) Look at it go!

Look, the gazorp moved the ball!

Aww I missed it, the ball didn't make it in the goal. Hmm, let me try again

Look, the goal is over here now. And look, there's a new gazorp and this one is wearing a green shirt! Let me try again, 1, 2, 3, go!

Look, the gazorp moved the ball!

[Experimenter makes it] Look I made it into the goal; the ball is all the way inside the goal.

So, do you want to try next?

[child misses two times] Aw, it looks like your ball missed the goal. Do you want to try again?

### Warm-Up and Exposure Phase

Look, the goal is over here now! Okay - how about you blow right here (point to bottom of box) and try to make the ball go into the goal! [when the child blows, the ball launches] Aw, it looks like your ball missed the goal, do you want to try again? **(x2)**

Look, the goal is over here now! And look; a new gazorp came and this one is wearing a purple shirt! See that? Remember, some gazorps are nice, and some gazorps are mean. We don't know whether this gazorp with the purple shirt is a nice one or a mean one!

### Outcomes differ by condition.

Oh look the gazorp moved the ball! [as the gazorp hits the ball]

[after ball misses] Aw, it looks like your ball missed the goal.

And remember, this gazorp could be a nice one or a mean one! [only say this after the first time]

Do you want to try again?

Look the goal is over here now and the gazorp with the purple shirt is back. Do you want to try again? (repeat until freeze)

### **Test Phase**

Oh no! It looks like my game is broken and is frozen - I'm sorry about that!

Well, it looks like I will have to restart this game.

Ok. I'll restart this game, and you know what? I'll give you a sticker if you make it into the goal next time!

AND, you can play WITH the gazorp, or you can play WITHOUT the gazorp. If it's a nice gazorp, maybe it will help you make it, but if it's a mean gazorp maybe it will try to make you miss. So what do you think, do you want to play WITH the gazorp, or WITHOUT the gazorp?

### **Final Phase**

Oh - you know what? It looks like my game is fixed now! Do you want to give it a go one last time? Go ahead and blow right here!

(succeeds) Yay - look you made it into the goal! It looks like the gazorp went away too!

Okay well you know what, that's actually the end of my game today! Thank you so much for playing!
